

Permission to remove Graffiti from Private Property
Waiver Form

I _____ do hereby authorize the Berks County Graffiti Abatement
Program to remove graffiti damage from my property at

_____ (location on structure)

by either painting over the damage or using chemical solvents and pressure washing as a means of removal. By signing this document I agree to allow community service workers designated by the Court of Common Pleas for the 23rd Judicial District and supervised by the Office of Adult Probation to remove graffiti damage from my property free of charge. Berks County will make every reasonable effort to restore the damaged surface as close to its original condition as possible but assumes no liability in the event that the original surface can not be matched due to the graffiti vandalism or if any damage to the property is incurred during the graffiti removal process, I agree to hold Berks County harmless concerning the final result of the graffiti removal process. The County of Berks reserves the right to refuse to provide this service after inspection of the damage.
