	<u>FEE</u>	<u>ESCROW</u>
B. Curative Amendment/Zoning Text Amendment	\$1,000.00	\$2,500.00
<i>(Applicant is required to replenish escrow account for each and every \$1,000 of escrow drawn to cover expenses incurred. Any unused portion of the total Escrow charged to any applicant will be returned to the applicant. This refund will be made only after final action has been taken.)</i>		

C. Advance Escrow Deposit of Consultants' Review Fees

Applicant shall, upon submission of a subdivision and/or land development application, be required to establish a cash escrow to guarantee reimbursement of all professional consultant review fees or other costs incurred by the Township in reviewing said plans. Any amount not expended will be returned to the Applicant upon final approval of the plan, and payment of all outstanding professional consultant review fees.

Schedule of Fees (effective 3/13/2024)

Developer shall establish the escrow in the initial amount of \$5,000 or ten percent (10%) of the anticipated cost of plan review, whichever is less, to be held by the Township, in the name of the Township, at a financial institution of the Township's choice (known as the "Professional Consultants' Review Fees Escrow"). Contemporaneous therewith, Applicant shall execute a Cash Escrow Agreement at the time of application in form and substance acceptable to the Township. While Developer agrees to remit payment to the Township for all Professional Consultants' Review Fees as the same become due and owing in a timely manner, in the event the Developer fails to do so the Township may draw down upon the cash escrow to reimburse the Township to be utilized by the Township to pay all such Professional Consultants' Review Fees. Developer shall then be required to replenish the Professional Consultants' Review Fees Escrow to the full amount referenced above. Developer shall not be permitted to request a reduction of the Professional Consultants' Review Fees Escrow in order to satisfy its obligations to pay contractors or subcontractors performing the work related to the improvements, nor shall the Township be required to authorize the reduction of the Professional Consultants' review Fees Escrow for such costs.

In unique circumstances, as determined exclusively by the Board of Supervisors, the Township may agree to modify the amount of the escrow deposit required by this Resolution, upon receipt of a written request from an Applicant.

D. Advance Escrow Deposit of Consultants' Inspection Fees

Upon approval of the subdivision and/or land development plan, and prior to the commencement of construction of a subdivision and/or land development project, the Township Engineer shall recommend an amount to be escrowed after the review and approval of the project's Opinion of Probable Cost to cover the anticipated cost of construction observation and related administrative responsibilities, and said amount shall be included as a line item in the Financial Security Agreement associated with the subdivision and/or land development. This amount shall not be greater than seven percent (7%) of the subtotal of the Opinion of Probable Cost. Concurrently, the Applicant shall establish a cash escrow account with the Township in an amount equal to the amount not less than seven percent (7%) of the subtotal of the Opinion of Probable Cost, whichever is less, unless otherwise specified by the Township Engineer (known as the "Professional Consultants' inspection Fees Escrow").

While Developer agrees to remit payment to the Township for all Professional Consultants' Inspection Fees as the same become due and owing in a timely manner, in the event the Developer fails to do so, the Township may draw down upon the cash escrow to reimburse the Township to be utilized by the Township to pay all such Professional Consultants' Inspection Fees. Developer shall then be required to replenish the Professional Consultants' Inspection Fees Escrow to the full amount referenced above. Developer shall not be permitted to request a reduction of the Professional Consultants' Inspection Fees Escrow in order to satisfy its obligations to pay contractors or subcontractors performing the work related to the improvements, nor shall the Township be required to authorize the reduction of the Professional Consultants' Inspection Fees Escrow for such costs.

In unique circumstances, as determined exclusively by the Board of Supervisors, the Township may agree to modify the amount of the escrow deposit required by this Resolution, upon receipt of a written request from an Applicant.

Schedule of Fees (effective 3/13/2024)

V. Applications to the Board of Appeals:

(Under UCC Building and Fire Prevention Codes)

\$200.00 plus costs

VI. Applications for Building and Systems Permits:

(It is required that a Permit Fee shall be paid at the time a permit application is submitted; said fee to be calculated by the Township. If after the application, it is determined that the fee is higher due to methods used to calculate the fees, the applicant shall be required to pay the difference before the permit is issued. It is the responsibility of the applicant to contact the inspectors at the required times.)

A. Calculation of Fees

1. Square Foot Basis

The square footage shall be calculated based on the out-to-out dimensions of the building structure and shall include all areas, whether finished or unfinished, that have a minimum headroom on 7' -6" or are finished as habitable space including, but not limited to, basements, bays, hallways, stairways, utility rooms, storage rooms, lobbies, attached garages, detached garages, foyers and attics.

2. Certificate of Use and Occupancy

The Fee for a Certificate of Use and occupancy is in addition to the Building Permit Fee(s) and payment is required at the time the Building Permit is issued. See Section V. §F. CERTIFICATE OF USE AND OCCUPANCY for a listing of when the permit is required.

3. Multiple Permits

When a single project consists of multiple buildings or structures, accessory building, or structures, and/or signs, separate application and permits shall be required for each building, structure, and/or sign.

4. Plan Review Fees

The building permit fee will include one (1) review of building plans and related documentation. Fees for additional reviews required due to revisions to the original plans and/or related documentation will be invoiced to the permit holder as detailed in Section V. §H

5. Inspection Fees

The building permit fee will include one (1) round of inspections for each of the following items footing, foundation, rough framing, energy, wallboard, and final. The permit holder will be responsible for scheduling inspections with the Township's Building Inspector. The fees for any re-inspections required due to the item failing initial inspection will be invoiced to the permit holder as detailed in Section V. §H.
