

## ERIC MOUNTZ, PE, PTOE

*Regional Leader – Transportation Planning*

### YEARS OF EXPERIENCE

19 Years

### EDUCATION

Widener University  
B.S. / 2003 / Civil Engineering

### REGISTRATIONS

Professional Engineer – PA, VA

PA License # PE-075212

VA License # 0402042445

Professional Traffic Operations Engineer  
Certificate #2588

### PROFESSIONAL AFFILIATIONS

Pennsylvania Society of Professional Engineers- Reading Chapter

Institute of Transportation Engineers, Mid-Atlantic Section

### CONTINUING EDUCATION

PennDOT Highway Occupancy Permit Training

PSU Transportation and Engineering Safety Conference

ITE Roundabout Design and Construction: Key Issues and Solutions

ITE Integrating Demand Management into Transportation Planning

ITE Traffic Signals and Accessible Pedestrian Signals

### PERSONAL EXPERIENCE

Eric Mountz has experience in traffic engineering, and is primarily responsible for the preparation review, and revision of traffic impact studies, parking studies, conceptual roadway improvements, traffic signal upgrades, and design documents. His study experience includes data collection, signalized and unsignalized capacity analyses, trip generation and distribution, traffic assignment, queue length analyses, turn lane analyses, and gap studies. Mr. Mountz has prepared studies, developed recommendations for roadway and intersection improvements, and managed design projects through to construction on a variety of project types for both private and public clients. In addition, Mr. Mountz has been accepted as an expert witness and has presented traffic information at numerous municipal meetings.

### PROJECT EXPERIENCE

Bluecup Ventures Development

*Hazle Township, Luzerne County, PA*

Project Manager for the planning and design of various improvements to accommodate the Bluecup Ventures development consisting of three (3) warehouses totaling 4 million square feet. Responsible for the preparation of traffic impact studies, roadway improvement and traffic signal designs.
